EDUCATION

Lehigh University – P.C. Rossin College of Engineering , Bethlehem, PA Graduation: 2030
Pursuing Bachelors of Science, in Computer Science Engineering and intended minor in Data Science
Related Coursework: First Year Rossin Engineering (FYRE) Program, Engineering Programming in Python

PROJECT

EDA Umbrella Prototype through FYRE Program August 2026 – October 2026

- Collaborated in a 3-person team to engineer an automated life-quality support machine using custom PDOT moisture sensors, photoresistors, and servo motors.
- Developed Python-based control scripts for hardware integration on a breadboard setup, utilizing LLM tools for rapid debugging and logic validation.
- Presented a working prototype to college faculty and peer audiences.

EXPERIENCE

Barista May 2024 – Present
Beanbury, Succasunna New Jersey

- Memorized and prepared 20+ specialized beverage recipes in a high-volume environment serving hundreds of daily customers while also culminating relationships with customers.
- Maintained, cleaned, and operated commercial coffee equipment, including espresso machines and grinders.

Top Finalist in the Cyberbit Livefire Finals in the Garden State Cyber Summit May 2025

- Final competition at The College of New Jersey (TCNJ) in Ewing NJ
- Selected among top 25 statewide participants in initial rounds to advance as the sole all-female team in the Linux-based Capture-The-Flag (CTF) cybersecurity final.
- Solved hands-on challenges in network analysis, system navigation, and security fundamentals.

LEADERSHIP

Underclassmen Rep | Women in Computer Science (WICS) , Lehigh University September 2026 – Present

- Advocate for first- and second-year student interests on the executive board to shape club programming and mentorship events.

President, Secretary | Computer Science Honor Society , Randolph High School Nov 2023 – June 2026

- Organized high school coding competitions, recurring member meetings, and peer tutoring sessions
- Directed bi-weekly mentorship supporting middle school robotics teams in building and programming competition robots

ACTIVITIES AND VOLUNTEER

Campus Clubs: Girls Who Code, Cybersecurity Club, Mustard & Cheese Society WiCS

Technology Literacy for Elderly | *CS Honor Society* September 2025 – June 2026

- Taught digital literacy and cybersecurity fundamentals (e.g., phishing prevention) to senior citizens in my home community to give them more familiarity and security in their tech.

Theater Operations Volunteer | *Brundage Park Playhouse* September 2024 – June 2026

- Managed ticket sales, customer transactions, seating logistics, and post-show hall maintenance for community theater productions.

SKILLS

Technical Skills: Python, Java, Java Script
Language: English (Native), Biliterate in Spanish (State Seal of Biliteracy, 2025)
